

BIOGRAPHY UPTOWN FUNK

Uptown Funk is the collaboration of DJs Antonio Alexis and Sam Hall.

Both coming from different musical backgrounds, they share a passion for the 4 to the floor funky dance music scene. When the nu-disco scene exploded into the UK they knew they had common ground on which to build something special, but having only recently had the chance to work together they are still in the early stages of building Uptown Funk.

Both hailing from the pennine town of Huddersfield, Antonio and Sam are currently building a reputation in the north for feel good, funky, nu-disco music through their residencies at Power, Corruption & Lies disco bar in Leeds and Small Seeds nightclub in Huddersfield town centre, dj guest spotting in clubs/bars throughout the north of England as well as through their bi-monthly live radio broadcast – The Saturday Groove Session on Emergency FM.

Uptown Funk are now also edging their way onto the nu-disco scene in another way, having just released a promo for their first original production on their SoundCloud page, Uptown Funk intend to become a fixture through their own musical creations in the very near future. They have not long released their debut EP - 'Groove Edits', released on September 21st 2020 on Spanish label, Rare Wiri. A quietly impressive debut from the Yorkshire based duo, offering a quartet of filter-sporting, gently tooled-up re-edits. Tracks laced with spacey disco-funk grooves, percussive disco house/disco-funk vibes and swirling stomping house to finish off! After spending seven days at number ONE in Juno Downloads Top 100 Disco/Nu Disco Sales Charts, Groove Edits is a force to be reckoned with on any dance floor. Not bad for their first EP release. Uptown Funk are also continuing to impose their presence online by regularly breaking into top ten global charts on Mixcloud and Soundcloud with their collection of radio show recordings and mixes which promote the freshest and funkier tunes on the scene.

Uptown Funk were awarded 'The Best Emerging Producer' award at OGV Music Awards 2022. Since then, Uptown Funk has released their latest two tracker, Pilgrimage on Tropical Disco and soon to have another vinyl release on Super Spicy, there's just no stopping these two !!

Watch out for Uptown Funk's next releases due in the next few weeks and couple of months, on numerous well established labels. There's a lot more to come from these two and their future is bright!
